

How to Apply for a Burn Permit Through Idaho Dept. of Lands

1. Go to the Idaho Dept. of Lands (IDL) website at *burnpermits.idaho.gov*.
2. Click on “New Permit”.
3. Enter your address, click “Find”.
4. If the correct location shows up on the map, click “Place Burn Site Here”.
5. Fill in the information; click “Save Burn Site”.
6. If the information is correct, click “Next”.
7. Select Burn Type and then click “Next”.
8. Fill out required information. Here you can click on “Create a New Account” if you would like to save your contact information and burn permit history for renewal purposes. When done, click “Submit Permit”.
9. Click on “HTML” or “PDF” to view permit.
10. Print permit (Permit must be onsite during burning).
11. If you are burning slash, please notify the NLFDP Administration number at 208-772-5711 to let us know the location of the burn, how many piles you will be lighting, when, and a contact name of phone number.
