Employee Assistance Programs (EAP)

An employee assistance program (EAP) provides free outside counselors, resources, and referrals to assist employees and their family members in resolving personal problems. Any assistance benefits received by employees or their family members remain confidential. EAPs address broad and complex issues such as stress, grief, marriage & family counseling, substance abuse, financial counseling, etc.

Employees eligible for all three programs can use free counseling sessions offered by all programs for one issue.

Contact information for each program can be found on following page.

The III-A First Responder Helpline is available for confidential assistance with PTSI, substance abuse, mental health & more. For resources, referrals and treatment, call 208-244-7000

Health Reimbursement Arrangement

HRA VEBA Plan - Voluntary Employee's Beneficiary Association

The District provides full-time employees with an account through VEBA and makes contributions annually based on medical insurance enrollment. The funds are tax free when used to reimburse qualified out-of-pocket medical care costs as defined by the IRS.

Note:

- Your VEBA account belongs to you and while contributions will no longer be made by the District once your leave employment, the funds remaining in the account are still yours to access.

Learn More

Create an online account to access your VEBA account, file claims, and find out more about your benefits:

- ⇒ Visit www.hraveba.org or
- ⇒ Call 888-659-8828
- ⇒ Email customer@hraveba.org

Contributions to VEBA Accounts

- Each October, the District contributes \$1,500 per each account for current employees with no dependents and \$2,000 per each account for employees with a spouse and/or other qualified dependent(s).
- Contributions are made for new employees upon hire and pro-rated from the month of hire to the end of the fiscal year (September 30)

Your VEBA account is self-directed, meaning you can invest your account by choosing one of two options:

- Option A – A pre-mix asset allocation portfolio designed and managed by investment professionals; or
- Option B – Do-It-Yourself lets you build your own portfolio using any combination of available funds.

You can change your investment allocation up to once per calendar year.

You can request a **OneBridge Visa Debit Card** to instantly pay for medical care items and services directly from your VEBA account instead of filing a claim and waiting to get reimbursed.

Due to IRS rules, you may be asked to submit documentation for any **OneBridge Visa Debit Card** transaction to verify the qualified medical care expense.

Workers Compensation Insurance

Idaho State Insurance Fund

As required by law, the District carries workers compensation insurance on all members. This insurance is provided by the Idaho State Insurance Fund (SIF) with benefits including wage replacement and medical benefits to members injured in the course of their employment.

Learn More

- ⇒ Visit www.idahosif.org for information on Workers Compensation in Idaho and to download forms
- ⇒ All injuries/exposures should be reported to your supervisor immediately, even minor ones. Delayed reporting could result in loss of benefits.
- ⇒ Covered positions please see current CBA for further information.

Workers Compensation Benefits Summary	
Medical Care	Reasonable and necessary medical care to treat your job-related injury or disease including rehabilitation services
Temporary Disability	If your physician confirms you cannot work due to your job-related injury or disease, you may be eligible for temporary total disability benefits until you are either released to duty, or your condition has reached "maximum medical improvement". Normally, you will qualify for time-loss benefits if your condition causes you to miss more than five (5) days of work.
Permanent Impairment/ Disability	<p>If the SIF determines that your job-related injury or disease is permanent, but that you are able to return to the same or other type of work, you may receive benefits for permanent partial impairment and/or disability.</p> <p>If the SIF determines that due to your job-related injury or disease, you are totally and permanently disabled you may receive income benefits for an extended period of time.</p>
Death Benefits	If a member dies of a job-related injury or disease, their surviving spouse usually receives benefits for 500 weeks; dependent children ordinarily receive benefits up to age 18.
Funeral Benefits	If a death due to the job-related injury or disease occurs within four (4) years, the actual amount of burial expenses shall be reimbursed to the personal representative of the deceased employee.

Pension Benefits

Public Employee Retirement System of Idaho

Public employees in Idaho are required by state statute to participate in the PERSI Base Plan if they are employed full time for more than five months by an employer who belongs to PERSI. The Base Plan is a defined, qualified tax-deferred benefit plan under the IRS Code Section 401(a). After 60 months of service, you become “vested” in a guaranteed lifetime monthly Base Plan retirement benefit. The lifetime allowance you receive at retirement is not dependent on the amount of money you contribute to PERSI.

When you retire, the PERSI Base Plan will pay you every month for as long as you live; if you choose a Contingent Annuitant at retirement, after you die that person will continue receiving a benefit for the rest of their life.

Firefighters are certified as Class 2, or Public Safety, members with a retirement service age (SRA) of 60. Vested Class 2 members can retire before SRA without taking a benefit reduction as long as they meet certain service and age requirements. This is known as the rule of 80; years of service plus the member’s age must equal or exceed 80 to retire before SRA without a reduction in their Base Plan retirement benefit.

Current PERSI Base Contributions (as of 07/01/2023)

Public Safety (Class 2) Employee Contribution on pre-tax wages	9.83%
Employer Contribution on Public Safety (Class 2) on pre-tax wages	13.26%
General Member (Class 1) Employee Contribution on pre-tax wages	6.71%
Employer Contribution on General Class Member (Class 1) pre-tax wages	11.18%

If you do not work long enough to become “vested” (5 years), your contributions can be withdrawn (with tax penalties & withholding), or you may roll over your money into an IRA or other qualified retirement plan with no penalties.

Voluntary Retirement Benefits

PERSI Choice 401 (k) Plan and Employer Matching Contributions

The Choice 401 (k) Plan is your voluntary PERSI account. It contains voluntary contributions you make, any employer contributions made on your behalf, any rollovers you request from other eligible plans, as well as earnings on those funds. The Choice 401 (k) Plan is a Defined Contribution Plan, meaning the amount you receive at retirement is based on contributions and earnings in the Plan.

You may begin voluntary contributions to a Choice 401 (k) Plan at any time by submitting a Paycheck Contribution Election Form to the front office. Contributions can be either a percentage of your eligible compensation (gross earnings), or a fixed amount. The District makes **matching** contributions up to 6% of your eligible compensation (gross earnings). For instance, if you defer 10% of your gross earnings to your Choice 401 (k) Plan, the District will match up to 6%. If you defer 3% of your gross earnings, the District will match 3%.

Highlights:

- You are always 100% vested in your account balance
- Your full account balance is available to you (subject to taxes & early withdrawal penalties) when you retire, end your employment with a PERSI-participating employer, or become totally disabled.
- You can take a loan from your plan account from \$1,000 to 50% of your account balance up to \$50,000 paying it back through paycheck deductions plus interest.

PERSI Choice 401 (k) Contribution Limits (as of Jan 1, 2023*—set by the IRS)

Up to 100% of your compensation or \$22,500 annually (whichever is less)

After 50 years of age, up to \$30,000 annually

Empower Retirement provides the record keeping service for your Choice 401 (k) Plan account

*2024 Limits will be released by IRS in November 2023

Long Term Disability

Professional Firefighters of Idaho (PFFI)

As of 2013, PERSI eligible positions in the District are not eligible for Social Security coverage, including Supplemental Security Income (SSI). The District cost-shares a substitute for SSI: a long term disability (LTD) insurance through the PFFI underwritten by The Standard. The LTD policy also includes an accidental death & dismemberment (AD&D) benefit, as well as a term life insurance benefit. Elected officials are not eligible for this benefit.

Premiums are deducted from payroll once a month; premiums for the AD&D and life insurance are set amounts, while the LTD cost is based on each individual's earnings. If you have questions regarding the premium amounts paid by the employee and/or employer, or if you would like a copy of the policy for your records, please contact the District's front office.

The Standard Insurance Benefit Summary*		
Plan	Eligibility	Benefits
Long Term Disability	Actively at work 30 hours each week eligible for benefit the date you become a member	60% of your pre-disability monthly salary up to \$8,333 (max of \$5,000/min of \$50) reduced by any other income you are eligible to receive
Accidental Death & Dismemberment (AD&D)	Actively at work 30 hours each week eligible for benefit the date you become a member	\$15,000 for Employee's Loss of Life caused solely & directly by an accident; \$7,500 for loss of hand or foot or sight in one eye or hearing in both ears. No more than \$15,000 will be paid for all losses resulting from one accident.
Life Insurance	Actively at work 30 hours each week eligible for benefit the date you become a member	Benefit for Self: \$15,000 Benefit for Spouse: \$1,000 Benefit for Child: \$1,000

Medical Expense Reimbursement Plan (MERP)

IAFF/Washington State Council of Firefighters

Union-covered positions participate in the Washington State Council of Firefighters (WCSFF) Medical Expense Reimbursement Plan for Retirees (MERP). **This is a non-voluntary benefit for all union covered positions only.**

Upon hire, union covered employees complete paperwork to defer the current contribution of \$100 per month as a pre-tax deduction of \$50.00 twice a month from their paycheck. Contribution amount is the same for all positions in the bargaining unit, regardless of rank or length of service. The District contributes an additional \$50/month to MERP for each covered member. Members are vested after five years of active service.

Medical Expense Reimbursement Plan (MERP) through a Retiree Medical Trust

When a member retires, their benefit is based on the total number of Active Service Units (ASU) they've accrued

Currently, members are contributing \$100, plus the District's \$50, per month or six (6) Active Service Units (ASUs)

The monthly benefit for reimbursable expenses at retirement is based on the member's ASUs multiplied by a Unit Multiplier (UM). The WCSFF Retiree Trust works with a professional actuarial firm to determine the UM.
(as of 2/2019, the UM is .41)*

Scenarios:

Member has contributed 6 ASUs/month for 10 years before retiring.

$$720 \text{ ASUs} \times .41 \text{ UM}^* = \$295$$

Retiree's monthly maximum benefit toward out-of-pocket medical expenses would be \$295/month, or

Same member contributes for 20 years:

$$1440 \text{ ASUs} \times .41 \text{ UM}^* = \$590$$

Retiree's monthly maximum benefit toward out-of-pocket medical expenses would be \$590/month

THE STATE OF IDAHO
Deferred Compensation Plan

State of Idaho 457 Deferred Compensation Plan

The State of Idaho 457 plan is a defined Contribution plan available to public employees. Unlike a 401(k) plan, money in a traditional 457 (b) account can be withdrawn before age 59 ½ without penalty.

Nationwide is the third-party administrator for the State's deferred compensation plan. They offer both a traditional 457 (b) pre-tax account and a Roth 457 (b) with taxes paid up-front. The Roth 457 (b) account will be tax-free withdrawals as long as you are at least 59 ½ years old and don't take withdrawals for at least five years after your first Roth contribution.

Members elect how much of their pay to defer to either or both traditional or Roth option 457 (b) plans; this can be a percentage in whole amounts from 1% to 100%, or a whole dollar amount. The maximum allowable contribution for 2023 is \$22,500; if you are age 50 or older in 2023, you can make an additional \$7,500 in contributions, or if you are within 3 years of your Rule of 80 (or 90), you can contribute double the normal maximum or \$45,000 per year for those 3 years.

401 (k) & 457 Plans

As of 2023, both 401(k) and 457 plans have annual maximum contribution limits of \$22,500 with a "catch up" provision of up to \$7,500 additional if over the age of 50. It is possible to contribution to both a 401(k) and 457 plan at the same time, and be able to contribute the maximum amounts to both.

401(k) Versus 457

401(k) plans are considered "qualified retirement plans" that are subject to the Employee Retirement Income Security Act of 1974 (ERISA); 457 plans are a type of tax-advantaged non-qualified retirement plan and are not subject to ERISA. Since ERISA rules do not apply to 457 accounts, the IRS does not assess a premature withdrawal penalty to 457 participants who take withdrawals before age 59 1/2 (although the withdrawals are submitted to normal income taxes). Premature withdrawals from a 401(k) result in an additional 10% tax penalty.

Voluntary Supplemental Insurance

Voluntary Insurance Policies

Aflac insurance policies are available to full-time District employees and may be purchased separately on a voluntary basis. Premiums are paid by payroll deduction and the District submits them on your behalf each month.

To learn more about these plans and/or to schedule a personal appointment, please contact the local agent.

Supplemental insurance available includes Accident, Cancer, Critical Illness, Dental, Hospital, Life, and Disability.

Employees are eligible to enroll upon hire and then during open enrollment (September) each year.

Bonus Pay

Longevity Pay

The District uses longevity pay as a way of showing appreciation for its career employees' years of continuous service. All full-time employees are eligible to receive Longevity Pay after one year.

Longevity Pay is paid out in a lump sum annually no sooner than the last week of November or no later than the end of the first week in December. Only current employees as of the date Longevity Pay is paid are eligible. Employees who retire or are certified as medically disabled are eligible for pro-rated Longevity Pay upon separation.

Longevity Pay is computed as a percentage of the current base Firefighter 1/EMT wage based on each employees' months of full-time service as of December 1st each year.

Holiday Pay

Suppression personnel receive Holiday Pay annually in a lump sum in June each year for 11 recognized holidays (June 1 through May 31) and 24 hours of additional vacation leave in July for the recognized holiday in June* each year. New hires after June 1st receive holiday pay for any of the recognized 11 paid holidays after their date of hire. Upon separation, suppression personnel receive holiday pay "buy out" for those 11 recognized paid holidays that occur between annual lump sum payout and their last day of employment.

***Please note that current benefits for covered positions are defined in the Union Local 4045 Collective Bargaining Agreement**

Payroll Schedules

All full-time, regular District employees are paid every other Friday following the end of the pay period with annual salaries paid in equal installments each payday during the fiscal year.

- ⇒ Pay periods for 80 hour/14 day work period employees begin on Monday at 12:01 a.m. and end on Sunday at 12:00 midnight.
- ⇒ Pay periods for 24 hours shift employees cover 14 days beginning on Monday and ending on Sunday. Suppression staff work a 24 day, 182 hour work period and paid a base salary based on the work period. The salary is paid out in 26 equal installments for FY2023 with guaranteed overtime on both Biweekly and Full Payrolls. Any additional overtime is paid out every 28 days on Full Payrolls only*.

Suppression personnel should refer to current Collective Bargaining Agreement for the established Fair Labor Standards Act (FLSA) work cycle and can contact the front office for further information on how the FLSA affects payment of overtime.

Direct Deposit

The District encourages all paid employees to take advantage of no cost direct deposit. Direct deposits are electronically transferred before banks open on every payday. Paystubs are emailed out to employees on the Thursday prior to every payday for their review.
